Dear Parents

Pranam!

With reference to the mid-day meal provision being initiated in the school, we have received encouraging responses from parents for the services and the amount is being remitted to the vendor. However, we request the parents who have consented for the facility to make the payment fast, so that the said service can begin well in time. The services will be starting on Wednesday, 07 August 2024, and the monthly billing cycle will be from 07 August 2024 to 06 September 2024.

Parents who have not yet consented and wish to enroll their children in the services are also encouraged to use the same link for the payment.
