

SALWAN PUBLIC SCHOOL, MAYUR VIHAR

Academic Session: 2024-2025

Circular for classes VI-IX

Ref.No. SPS/MV/2024-2025/3336

Date: 29/06/2024

Dear Parents,

Pranam!

We are pleased to inform you that a state-of-the-art STEM (Science, Technology, Engineering, and Mathematics) Lab has been established in the school premises, to offer hands-on learning opportunities and enable students to practically explore scientific and technological concepts. The STEM Lab is equipped with computers of latest configuration, interactive smart board, high quality furniture and related infrastructure. The initiative aligns with the National Education Policy (NEP) 2020, which emphasises STEM education to create a comprehensive, multidisciplinary system. Furthermore, it will foster the development of critical thinking, problem-solving skills, and creativity, thereby preparing students for future academic and career endeavours.

Our goal is to make STEM education accessible to all students, fostering a culture of innovation and excellence throughout the school. The students will receive training from engineers, well qualified in the field. Initially, the STEM education will be available to students from classes VI-IX, with plans to subsequently extend this facility to other classes. The curriculum will be integrated into the existing syllabus for the above-mentioned classes. It will include interactive projects, experiments, and collaborative activities covering key areas in science, technology, engineering, and mathematics.

The school has collaborated with STEMROBO Technologies which is the World's First Company to provide One STOP Solution around nurturing Innovation and 21st Century Skills in young students through STEAM Education, Robotics, Coding, Artificial Intelligence and Machine Learning, Augmented Reality and Virtual Reality.

To cover only the operational expenses, a nominal fee of ₹225 per month will be charged from the students of classes VI-IX w.e.f 1st July 2024.

We solicit your continued support in all our endeavours.

Kind regards,

Capt Richa Sharma Katyal (Retd)
Principal
Salwan Public School, Mayur Vihar
